NOTE: This set of poems has been prescribed for Grade 12 SACAI HL in 2024–2026. The prescribed text is 'Imagined Worlds'. The textbook has notes and questions and we have tried as far as possible not to duplicate key aspects. The worksheets in this pack are ideal for revision, or for introducing a poem to learners

If you do not have a copy of the text, you are likely to find many of these poems in anthologies commonly used in schools. The USEFUL LINKS page includes links to copies of the poems online, where possible.
